

American Recovery and Reinvestment Act ("ARRA") of 2009

Updated January 14, 2010

The chart below reflects the City of Port Hueneme’s efforts in applying for federal economic stimulus funds and the status of these applications to date:

Area	Fund	Description	Amount	Application Date	Status as of 01/14/10
Police	Edward Byrne Memorial Justice Assistance Grant Program ("JAG1")	Multi-agency application, lead agency City of Oxnard. PHPD's share of the funding is to be used to replace outdated security monitoring equipment at City Hall and in the Police station.	\$48,021	April 2009 (APPROVED)	In process of purchasing equipment, then will request reimbursement.
Police	Edward Byrne Memorial Justice Assistance Grant Program ("JAG2")	Multi-agency application, lead agency City of Oxnard. PHPD's share of the funding is to be used for radios and Tasers.	\$11,682	June 2009 (APPROVED)	Tasers have been purchased and distributed to patrol; radios have been ordered.
Public Works	Transportation Stimulus Funds	Funds earmarked for rehabilitation of streets designated on the Federal Highway System.	\$400,000	March 2009	Preparation for bid advertisement in April.
Housing Authority	Public Housing Capital Funds	Funds specifically earmarked for modernizing public housing. PHHA received funds for replacement doors and hardware for unit entry doors, and a new boiler for the Mar Vista Senior Housing development.	\$137,000	(no application) Funds received April 2009	Project completed.
Housing Authority	Neighborhood Stabilization Program ("NSP") II	Multi-agency application with Housing Authorities of Ventura (lead agency) and Santa Paula. Total request is for purchase and rehab of 100 units of foreclosed properties (PHHA's expected share of the funding will purchase 20 units).	\$30,000,000 (total request for three agencies)	July 2009	Application under review.
Human Resources	Workforce Investment Act	City participated as an employer for the Summer Youth Employment Program with the Boys & Girls Club of Oxnard/Port Hueneme. Eleven teens worked in various departments of the City for 6 weeks to gain valuable job experience and receive mentoring from staff.	Youth employees' wages paid by B&GC	April 2009 (APPROVED)	Program in effect July through December 2009.
Facilities Maintenance	Energy Efficiency and Conservation Block Grant	Funding to provide for energy retrofits for the City. Funds are based on population.	\$122,000	January 2010	Application submitted to County for consideration.
Residential / Commercial structures within City limits	California FIRST (AB 811)	Loan funding for energy efficiency improvements and upgrades for residential and commercial properties.	\$25 million statewide	January 2010	Application submitted to County for consideration, target is August 2010.

This second chart reflects non-ARRA grants the City of Port Hueneme has applied for and/or received to date:

Area	Fund	Description	Amount	Application Date	Status as of 01/14/10
Public Works	Proposition 50 Water Use Efficiency Drought Grant	For use in Phase III of Citywide AMR Water Meter Installation	\$250,000	July 2008	Frozen until further notice from State
Police	Homeland Security Grant	Multi-agency application, lead agency is Ventura County Office of Emergency Services and the Oxnard Harbor District. PHPD's share of the funding will secure the Police parking lot with a security fence; purchase digital and video cameras; provide fixed area lighting in the police parking lot and around City Hall, and portable lighting for on-scene incidents; and purchase a Specialized Emergency Response Vehicle to respond to emergency incidents, crime scenes and disasters and will also be utilized as a mobile command post.	up to \$250,000	May 2009 (APPROVED)	Bidding process for equipment purchases has begun, awaiting responses from vendors.
Police	Emergency Management Performance Grant	Provided for a Table top Exercise of an emergency scenario for City staff and funding to complete installation of equipment in the Emergency Operations Center.	\$7500	March 2009 (APPROVED)	Equipment purchase pending. Tabletop exercise was conducted in Nov 2009. Awaiting wiring and cabling for the EOC from Ventura County Office of Emergency Services; target date for installation is by end of Feb.
