2016-17 COMMUNITY NEWS & RECREATION GUIDE

## A NOTE FROM THE MAYOR

After careful consideration by the Port Hueneme City Council and Staff, the Toni Young Hueneme Beach Festival and other activities and events have been put on hiatus for 2016 due to budgetary concerns.

Unfortunately, the City of Port Hueneme has had some budgetary challenges in the past few years, and in order to get our finances realigned, we find it necessary to cancel the 2016 Toni Young Hueneme Beach Festival and other events. We are hopeful that alternative sources of funding will be identified within the community at large allowing for a return of this event in the years to come.

City staff will continue to work with business partners, sponsors, and the community to drive interest and donations in producing future community events.

The Toni Young Hueneme Beach Festival has been a collaborative effort of many people including City Council members, City employees, and many volunteers who have given of their time to make this celebration the success it has become over the past 17 years.

While some of our citizens have been a part of this festival for many years, we appreciate all of the local support from the individuals and families who attended this community event – be it one year or all seventeen years. We thank you and hope you will consider being a part of any future community events.

Sincerely,  
Douglas Breeze, Mayor

**Jim Hensley**, Council Member  
**Sylvia Munoz Schnopp**, Council Member

## CITY COUNCIL MEETINGS

Port Hueneme City Council regular meetings are scheduled for the first and third Mondays of the month in the Council Chambers at City Hall at 6:30 pm. The Council encourages residents to attend the meetings and get involved in their community. Please visit the City's website at [www.cityofporthueneme.org](http://www.cityofporthueneme.org) to check the current meeting schedule (subject to change) and view upcoming meeting agendas and minutes.

## HUENEME MAGAZINE 2016

Hueneme Magazine is a publication of the City of Port Hueneme. It serves to provide residents with community news and recreation program information. Hueneme Magazine is published annually. We hope that you will find the contents of the City's magazine informative and useful.

## ACCESSIBILITY

The City of Port Hueneme does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs or activities. The City coordinates compliance with nondiscrimination requirements contained in Section 36.107 of the Department of Regulations. Information concerning the provisions of the Americans Disabilities Act, and the rights provided thereunder, are available from the ADA coordinator. Notification 48 hours prior to the start of a program, activity, or meeting will enable the City to make reasonable arrangements for participation.

## ACCESIBILIDAD

La Ciudad de Port Hueneme no discrimina por causa de discapacidad para la admisión o acceso a las actividades, programas, o empleo. La Ciudad coordina el cumplimiento de las leyes que prohíben la discriminación, así lo señala el Código 36.107 de las Normas del Departamento. La información sobre los requisitos de las Leyes para Americanos con Discapacidad, y los derechos establecidos en esa ley, está disponible a través del coordinador del ADA (por sus siglas en inglés). Se agradece que se le informe a la Ciudad, con 48 horas de anticipación, de cualquier actividad o junta. De esta forma, la Ciudad puede hacer los preparativos pertinentes para su participación.

**Rose Boog**  
**Larry Downing**, Chair  
**Jeannette Moranda**, Member at Large  
**Joe Morris**  
**Cindy O'Brien**  
**Purna Pai**

## PORT HUENEME HISTORICAL MUSEUM

The Port Hueneme Historical Museum is located at 220 Market Street in Port Hueneme. Built in 1925, the Museum houses historical artifacts, photographs and information on the history of the Hueneme area. Architect Myron Hunt designed the building, and he was also responsible for designing the Bard Mansion, Huntington Library and Ambassador Hotel. Distinguished Speaker Series and displays are maintained by the Department of Recreation and Community Services and the Historical Commission. Museum hours are Tuesday and Friday, 10am – 1pm and every third Saturday, 10am – 2pm. Call (805) 986-6542 for more information.

## ORVENE S. CARPENTER COMMUNITY CENTER

The Orvene S. Carpenter Community Center at 550 Park Avenue in Port Hueneme is available on most Saturdays for special events.

This state-of-the-art facility has a banquet room with a 300-person capacity for your Wedding Reception, Quinceanera, Anniversary, Baptism, or other event.

Events must meet a 4-hour minimum to reserve a date and maximum of 8-hours of party time is allowed.

All rental packages include an experienced event staff person on-site at all times, the use of the auditorium, stage, tables and chairs, set-up and decorating hours, security guards, general liability insurance, all necessary permits and general clean up.

In addition, banquet events include the use of commercial kitchen.

The fee schedule for this venue is:

<b>Building Security Deposit</b>	<b>\$500</b> – Fully refundable after event
<b>Application Fee</b>	<b>\$32</b>
<b>Events Serving Alcohol</b>	<b>\$441 per hour</b>
<b>Events No Alcohol</b>	<b>\$354 per hour</b>
<b>Seminar Events</b>	<b>\$144 per hour</b> – General Liability Insurance may be required at an additional cost. <b>No food or beverage.</b>

Reservations are accepted on a first come, first served basis up to one calendar year in advance. The application fee and building deposit are due at time of reservation. Dates fill up fast. Call the Center today at (805) 986-6542 to reserve your special event!

## MORANDA PARK

**Location:** 200 Moranda Parkway, Port Hueneme

A small meeting room is available for rental at this facility. The rental must be a month in advance, and paid in advance to reserve the room. Also, tennis courts and two outdoor basketball courts are available. There are no barbecue pits at this park.

## PARK PERMITS

All City parks, picnic and recreation areas are available on a first-come, first-served basis. There are no reservations made for any parks. For more information, please call the Recreation and Community Services Department at 986-6542.

## CITY FACILITIES & RESOURCES

### PORT HUENEME CHAMBER OF COMMERCE

The Port Hueneme Historical Museum and Chamber of Commerce occupy the historical former Bank of Hueneme building at the corner of Hueneme Road and Market Street, 220 North Market Street.

Call the Port Hueneme Chamber of Commerce. They will be happy to answer your questions and provide you with information about the area. Relocation packets, referral for goods or services, maps, directories, membership applications, historical and tourist information are provided by the Chamber year-round.

Contact the Chamber at (805) 488-2023. Visit the chamber website at [www.huenemechamber.com](http://www.huenemechamber.com).

Members may display brochures and business cards at the Chamber. Business members receive a listing on the Chamber's website and in the Chamber's Community Guide and Business Directory. Pick up a membership application. Business owners, individuals, including seniors are welcome as members. Join today!

### HUENEME BEAUTIFUL

Hueneme Beautiful was founded in 1966. Its purpose is to enhance and support natural beauty, order and cleanliness in all areas within the city limits of Port Hueneme.

Recent contributions include a donation for flags at the beach, trash cans at the beach and Christmas and Easter candy.

Upcoming events include: Annual Fashion Show in June. Membership dues are \$30 payable annually in June.

Hueneme Beautiful always welcomes new members. Please call President Marilyn Miravete-Smith at 986-9271 if you would like to join and get involved in your community, especially if you are a newcomer. Residents of surrounding communities are welcome.

Come and help us improve the quality of life in Port Hueneme. New project ideas are appreciated. Your interest and talents as potential committee members are valued as well!

### FRIENDS OF THE BARD MANSION

Friends of the Thomas R. Bard Mansion, Inc., is a non-profit organization supported solely by gifts, grants, donations and memberships. Its goal is to subsidize the preservation and restoration of the T.R. Bard Mansion and the surrounding Botanical

Gardens. The mansion is a national historical landmark built in 1912 by Thomas R. Bard, Port Hueneme's founding father and Ventura County's only elected United States Senator. Members of Friends of the Bard Mansion may, subject to availability, and by special arrangement, use the Mansion for dining, meetings, luncheons, weddings, celebrations, exhibitions, and group tours. Dinners are held at the Mansion on June 11, September 10 and December 12. Happy hour 5:30pm, dinner at 6:30pm. Please call Becky Breuning at (805) 798-3975 for membership information. The Bard Mansion is available to the general public for weddings and other special occasions. For further information call Naval Base Ventura County MWR at (805) 982-5293.

### FRIENDS OF THE LIBRARY

The Friends of the Port Hueneme Library is a non-profit organization whose primary purpose is to financially assist the Ray D. Pruetter Library (510 Park Avenue, Port Hueneme). Funds raised via membership dues, book sales, events, and individual or business donations, are used to provide more books, programs, and equipment or furnishings to the library. The main fund-raising events for the year include the Annual Book Sale in April, the Victorian High Tea in October, and the Holiday Boutique in early December. Distinguished speakers appear not only at the Annual Meeting (May 1, 2016) but throughout the year as available. The Friends also maintain a lobby bookstore during library hours where customers can purchase a wide variety of recycled books and other media at extremely affordable prices. Donations of gently used books, magazines, or dvds are always welcome – just deposit in the wooden donation bin in the library lobby. Payment is on the honor system – customers deposit cash or checks in a locked box located on top of the donation bin. For information on membership, programs, or volunteering to process used books, please call Cathy Penprase at (805) 986-2348. Information on the Friends and their events can be found at the Friends website at <http://porthuenemefriends.wordpress.com>. In addition, please "like" Friends of Port Hueneme Library at [www.facebook.com/PortHuenemeFriends](http://www.facebook.com/PortHuenemeFriends).

## ANNUAL BEACH PARKING PASSES

The City offers annual beach parking passes at a discount of 50% to City residents. Additionally, the City will now offer a discounted rate of 50% for secondary or more vehicles registered at the same household for City residents and non-residents alike. Vehicle registration for each vehicle to be permitted must be shown in order to obtain a permit and permanently affixed to the interior lower left hand corner of driver's side window. The cost will continue to be prorated from the date of purchase.

### Resident's Cost

Time of Purchase	Cost for First Car	Cost for Additional Cars Same Household
July – September	\$50.00	\$25.00
October – December	\$37.50	\$18.75
January – March	\$25.00	\$12.50
April – June	\$12.50	\$6.25

### Non-Resident's Cost

Time of Purchase	Cost for First Car	Cost for Additional Cars Same Household
July – September	\$100.00	\$50.00
October – December	\$75.00	\$37.50
January – March	\$50.00	\$25.00
April – June	\$25.00	\$12.50

For further information, please call (805) 986-6500.

## GARAGE SALE PERMIT RESTRICTIONS

Port Hueneme Municipal Code Sections 5121, 5123 & 5124

1. A Permit needs to be obtained at City Hall before the garage sale is held. Call for current fee.
2. No more than two (2) garage/yard sales may be held during any calendar year.
3. No garage and/or yard sale shall be held for more than two (2) consecutive or nonconsecutive days.
4. No signs or other forms of advertisement shall be placed on any property within the City except the location of the sale.
5. Signs advertising the sale shall not be posted more than two (2) days prior to the date of sale and shall be removed no later than 6:00 p.m. the day the sale ends.
6. No more than two (2) signs may be posted at the sale location and shall not exceed three (3) square feet in size.
7. No patio, garage and/or yard sale may begin before 8 am and shall end no later than 6:00 p.m. in the same day.
8. Please call 986-6500 or 986-6513 if you have any questions.

## CALL FOR VOLUNTEERS

Do you **LOVE** Port Hueneme?  
Want to help make it even **BETTER**?

We're looking for caring Port Huenemeans to help make a difference in our community by volunteering your time or special skills.

Do you like volunteering at special events or recreation programs? Are you a photographer/artist/grant writer? Have an interest in helping in the office or at the police station? Find out about volunteer opportunities at the City on our website: [www.cityofporthueneme.org](http://www.cityofporthueneme.org) (look under the "About Us" tab) or call 986-6501.

## SUGGESTION BOX AT CITY HALL

### "Customer Service Survey Card"

When visiting City Hall, please take a moment to complete a Customer Service Survey Card, as we are always looking for ways to improve your customer service experience. The suggestion box is located on the counter at City Hall. You can also comment online under "Report a Concern." And, yes, we also like to hear if you're pleased with the service you received by one of our staff members.

### DROP BOX – Reminder

The drop box for depositing after-hours utility payments is located at the Pearl Street parking lot exit.

## PARENTS AND CHILDREN: FOR YOUR INFORMATION

One of the toughest helmet laws in the country took effect January 1, 2003. Beginning January 1, 2003, skateboarders, in-line skaters, and scooter riders under age 18 are required to wear helmets EVERY time they roll. Those who are caught not wearing a helmet may receive a \$25 ticket. The law applies to public streets and bikeways. The helmets must meet minimum standards established by the Consumer Product Safety Commission, [www.cpsc.gov](http://www.cpsc.gov).

## BICYCLE RULES OF THE ROAD

Please protect yourself in traffic:

- Always ride on the right, and go with the flow of traffic, never against it.
- Maintain a straight line while riding, change direction without swerving, and use hand signals.
- Obey all of the traffic laws that cars do.
- Pay attention to everything. Use your eyes and ears as warning devices, alerting you to hazards in time to take action.
- Safely assert yourself in traffic. Don't let vehicles push you into parked cars or the curb. You have a legal right to a lane, so take as much as you need for safety.
- Ride defensively. Always look for cars pulling out in front of you, or from the side street or turning left in front of you.
- Be visible. Wear bright colors and put reflectors and reflective tape on your bicycle.
- Shout if you are in danger to alert inattentive drivers or pedestrians.

## STREET LIGHT PROBLEMS

Please report all street light problems to Southern California Edison at (800) 611-1911. Have available the pole number and the nearest address to the streetlight when you call.

[www.sce.com/Onc/StreetLightOutage.aspx](http://www.sce.com/Onc/StreetLightOutage.aspx)

## IS A PERMIT REQUIRED?

Do you ever wonder if the improvements you plan for your home require building permits? The Building Code states if you plan to "erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish" any portion of your property you **may** need a permit. So, if you answer "yes" to any of the above, check first with the City before you proceed.

Here are just a few of the common improvements routinely done to a home that **do** require permits.

## A PERMIT IS REQUIRED FOR:

- Patio Covers and/or Enclosures – Re-roof.
- Sheds (if more than 120 sq. ft. or over 8 ft. high). Must meet setbacks.
- Pools and Spas.
- Water Heater (replacement or relocation).
- Window Replacement, Garage Doors.
- Retaining Walls, Block Walls and all Fences.
- Room Additions or Alterations; Re-plumb or Re-piping.
- Replacement Sewer or Gas Lines; Upgrade Electrical Service.
- Replacement of Wall Heaters or Forced Air Units.

Contact the Building and Safety Department at City Hall (805) 986-6500 for any questions regarding your home improvement and repair projects.

## Gold Coast ACCESS Paratransit Service ADA & Senior Paratransit

## ACCESSO al Servicio de Paratransito de Gold Coast Transit Paratransito de ADA y Personas Mayores

Call 485-2319 ext. 2 for Information & Reservations.

\*\$3 por cada viaje a las personas mayores de 65 años en adelante que sean certificadas en ADA y las personas mayores que sean partícipes del viaje de nutrición a mayores – Donaciones (Transporte proveído al sitio de comida más cercano.)

### ARE YOU ELIGIBLE FOR ADA TRANSPORTATION?

The ADA (American with Disabilities Act) requires that fixed-route transportation systems (buses, rails, etc.) be accessible to persons with disabilities. All Gold Coast Transit buses are wheelchair lift-equipped and offer kneeling features so that a person may more easily board the bus.

The ADA also requires that paratransit service be provided to these individuals whose disabilities prevent them from using fixed-route service.

To use ADA paratransit service run by GCT, you must be certified as disabled in a manner that the disability you have prevents you from using fixed-route.

The Ventura County Transportation Commission does ADA certification for GCT ACCESS transportation. For more information, please contact the VCTC ADA Eligibility coordinator at (805) 642-1591, x118.

### ¿REÚNE LOS REQUISITOS PARA USAR EL TRANSPORTE DE ADA?

El ADA (Ley para Americanos con Discapacidades), requiere que todos los sistemas de transporte (autobuses, trenes, etc.) estén accesibles a todas las personas con discapacidades. Las personas que están discapacitadas deben de tener el mismo acceso al transporte que cualquier persona sin discapacidad. Todos los autobuses Gold Coast Transit tienen equipo para levantar sillas de ruedas y se pueden ajustar para que las personas puedan subir al autobús con más facilidad.

También, El ADA requiere que el servicio de paratransito se les provea a estas personas quienes sufren de discapacidad, la cual les prohíbe usar el transporte público.

Para utilizar el servicio de paratransito, manejado por GCT, usted debe de estar certificado como discapacitado, cerciorando que dicha discapacidad le prohíba usar una ruta normal.

La Comisión de Transporte del Condado de Ventura provee certificaciones de ADA para el transporte de GCT ACCESS. Para más información, por favor comuníquese con un coordinador del VTCV ADA (por sus siglas en inglés), al (805) 642-1591, x118.

## RECREATION, EDUCATION, ARTS, CULTURE IN HUENEME

**REACH** was formed in 2015 as a non-profit corporation to solicit, raise and distribute funds for the purposes of enhancement, support, and promotion of community recreation programs, activities and events, education in arts, and historical culture in Port Hueneme. This year, **REACH** is a sponsor of the Movies in the Park and will be looking to support other activities and programs that enrich the lives of the citizens of Port Hueneme.

We need your help to support our community's enrichment! For more information or to make a donation, please contact Carmen Nichols at 805.986.6587. You can send a tax-deductible donation to **REACH** c/o City of Port Hueneme 250 N. Ventura Road, Port Hueneme CA 93041.

## NO DOGS ARE ALLOWED ON THE BEACH

For the health and safety of **both** humans and dogs, please keep your dogs off the beach!

The City of Port Hueneme does not permit dogs on the beach. Transmission of infection occurs when a person, often a child who likes to play in the sand, comes directly into contact with animal feces, which carries a host of infectious organisms. Just walking barefoot on the sand that has been contaminated can lead to infection and transmission of hookworms to humans.

And your dogs are not immune to health problems as a result of romping on the beach. They may ingest contaminated sand – and can become infected with parasites by coming into contact with dead sea animals or birds. Also, parvo is a common (and deadly) disease that your animal can contract as a result of contact with dead sea animals on the beach.

## MOTOR HOMES/UNATTACHED TRAILERS

Motor homes/vehicles over 6,000 pounds restricted from parking on public streets:

Section 3241(h) of the Port Hueneme Municipal Code restricts any vehicle over 6,000 pounds from being on a street other than an approved truck route (Hueneme Road, Ventura Road and Channel Islands Blvd.).

Should you be using your motorhome or trailer, you may have a 72-hour parking grace period both before and after the usage. We do ask that you call the Parking Office at 986-6573 in advance to let the officers know of the dates the vehicle will be on the street.

Other than loading and unloading, a vehicle/trailer over 6,000 pounds must be parked elsewhere. Unattached trailers and boats are not permitted on any city street and are subject to citation and tow. Questions regarding this may be directed to the Code Compliance Manager at 986-6513.

## WE WANT YOU!

The City of Port Hueneme is looking to expand its Recreation classes, programs and events.

We would like to hear from you, our residents, what might be of interest to you.

- What types of classes would you participate in?
- What special events would you like to see in the future?

Your opinion counts and is very important to your City leaders. We look forward to hearing your suggestions. Please email us at:

[recreation@cityofporthueneme.org](mailto:recreation@cityofporthueneme.org)

to let your voice be heard.

Thanks for helping us improve our City.

Welcome

Location: [http:// www.cityofporthueneme.org](http://www.cityofporthueneme.org)

### CHECK OUT THE CITY'S WEBSITE!

Elaine will be receiving the "People Who Make a Difference" Award.

**January 28, 2017:**

**Jim Campos**  
"The History of Citrus Labels in Ventura County"

## SHARE YOUR SKILL!

The City of Port Hueneme is looking for quality, innovative, learning opportunities for our community. We are looking for Individuals with a desire to share a skill or interest with the community. The ideal instructor has extensive knowledge in their skill or interest, great people skills and, above all, a passion for teaching others. If you have a course or class you'd like to teach, we encourage you to submit a proposal.

Your proposal will be reviewed by the Recreation & Community Services staff and selected based on a number of factors including, but not limited to: course interest, instructor experience and references. Upon approval, you will be contacted directly and invited to submit your detailed course information.

As a Service Provider, you would be responsible for setting the fee schedule for your class, handling all

aspects of the registration process, having the proper liability insurance and submitting a class list along with a nominal percentage of your gross revenue in exchange for the use of the facility and limited advertising.

### SUBMIT YOUR PROPOSAL TODAY!

Class proposals may be submitted by mail:

City of Port Hueneme  
Recreation & Community Services  
550 Park Ave., Port Hueneme, CA 93041

If you would like more information on becoming a class instructor, please contact the Recreation Department at (805) 986-6542.

## Port Hueneme Police Department VOLUNTEERS IN POLICING

### Why become a Police Volunteer?

Citizens volunteer for many reasons, including learning new skills, utilizing particular skills, meeting new people, or making a difference in the community. The Volunteers in Policing Program (V.I.P.) is not designed to replace sworn or civilian employees. Rather, volunteers are used to supplement and enhance existing or envisioned functions to allow law enforcement personnel to do their job in the most efficient and cost effective manner. Volunteers can provide innumerable benefits to a department, including improving community relations. Volunteers can help provide services that the public wants but that sworn or civilian staff may not have the time or resources to furnish.

### Qualifications:

Selection will be based on abilities, prior experience, and the potential of the candidate to fulfill tasks involved in the above areas.

### Requirements:

- Eighteen years of age or older.
- Minimum of 16 hours monthly participation
- Successfully complete a background Investigation and interview.
- Must wear VIP Uniform
- Mandatory training
- Adhere to confidentiality

### Positions Available:

Specific areas within the Department have been evaluated as suitable work opportunities for recruitment of volunteers. Volunteers will be working with both non-sworn and sworn personnel in their assignments. The specific areas have been identified as:

- Vacation Checks
- Visit Schools
- Assist Beat Officers
- Graffiti Reporting
- Communications and Records Division
- Property and Evidence Room
- Investigative Division\*
- Community Special Events & Neighborhood Watch
- Well-Being Checks
- Assist PHPD Clergy Council
- Ride-Alongs
- Crime Prevention\*

\*Positions available within the investigative Division and Crime Analysis may require specific skills or prior experience.

### Who Should You Contact?

Download City of Port Hueneme Employment Application form from [www.cityofporthueneme.org](http://www.cityofporthueneme.org). For more information please contact gt. Rick Perez at (805) 986-6537 or [rperez@cityofporthueneme.org](mailto:rperez@cityofporthueneme.org).

## VC ALERT EMERGENCY NOTIFICATION SYSTEM

If we can't **REACH** you...  
We can't **ALERT** you.

VC Alert is an emergency system that may be used to deliver alerts when there is a threat to the health or safety of residents.

In addition to emergency information, you may:

- Select to receive messages regarding crime alerts, road closures, public meetings or other community events
- Choose the locations you want to be contacted about – your home, your parents' home, your workplace, and your child's school.
- Receive alerts on your home phone, cellular phone, work phone, email, text messaging, facsimile, or instant messaging.

The VC Alert database includes some landline and cellular phone numbers. Please register online to ensure that we have your current contact information.

**INTERNET** – Go to [www.vcalert.org](http://www.vcalert.org). Registering online enables you to opt-in for community notifications, in addition to alerts and warnings.

*If you do not have access to a computer please register by:*

**PHONE** – Call 805-648-9283

**MAIL** – Complete this form below and mail to:  
Ventura County Sheriff's OES, 800 South  
Victoria Avenue #3450, Ventura, California  
93009

Name \_\_\_\_\_

Phone Number \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ Zip Code \_\_\_\_\_

Email \_\_\_\_\_

**For more information, please contact us at 805-648-9283  
or via email at [vc.alert@ventura.org](mailto:vc.alert@ventura.org)**

You will be charged the standard fee from your phone provider for receiving the emergency alerts. The County of Ventura is not responsible for any charges that may be incurred as a result of receiving these alerts.

## PORT HUENEME POLICE DEPARTMENT SENIOR OFFICER PROGRAM

The City of Port Hueneme is broken down into four geographic areas, or Beats. A Senior Officer is assigned to each Beat to coordinate neighborhood watch meetings and keep the residents within their beats apprised of current activities. A current map of the Beats is on the next page and also available on the City's website as [www.cityofporthueneme.org](http://www.cityofporthueneme.org), as well as Beat related information from the Senior Officers.

Beat 1: Sr. Officer Rocque Lopez, Jr.

Beat 2: Sr. Officer Jesus Chavez

Beat 3: Sr. Officer Baltazar Tapia

Beat 4: Sr. Officer Ryan Bates

## PROGRAMA DE AGENTE SUPERIOR DE POLICIA DEPARTAMENTO DE POLICIA DE PORT HUENEME

La Ciudad de Port Hueneme se divide en 4 áreas geográficas o zonas de patrulla. Un oficial de policía de alto rango se asigna a cada área para coordinar las juntas de los grupos denominados como "Vigilantes de la Vecindad", además, el Agente está encargado de mantener a los residentes en las áreas correspondientes para el desarrollo de las actividades que ellos ejercen. Un mapa actual de las zonas de patrulla de la policía se encuentra en la siguiente página y también está disponible en el sitio web de la Ciudad en [www.cityofporthueneme.org](http://www.cityofporthueneme.org), así como información relacionada de las zonas de patrulla por estos oficiales superiores.

Zona de Patrulla 1: Sr. Officer Rocque Lopez, Jr.

Zona de Patrulla 2: Sr. Officer Jesus Chavez

Zona de Patrulla 3: Sr. Officer Baltazar Tapia

Zona de Patrulla 4: Sr. Officer Ryan Bates

## GRAFFITI REMOVAL PROGRAM

The City of Port Hueneme responds as soon as possible to a report of graffiti.

To report graffiti on public property and along the public right-of-way contact the Facilities Maintenance Division at 986-6592 to have the graffiti removed by the City.

To report graffiti on private property, contact Code Compliance at 986-6513.

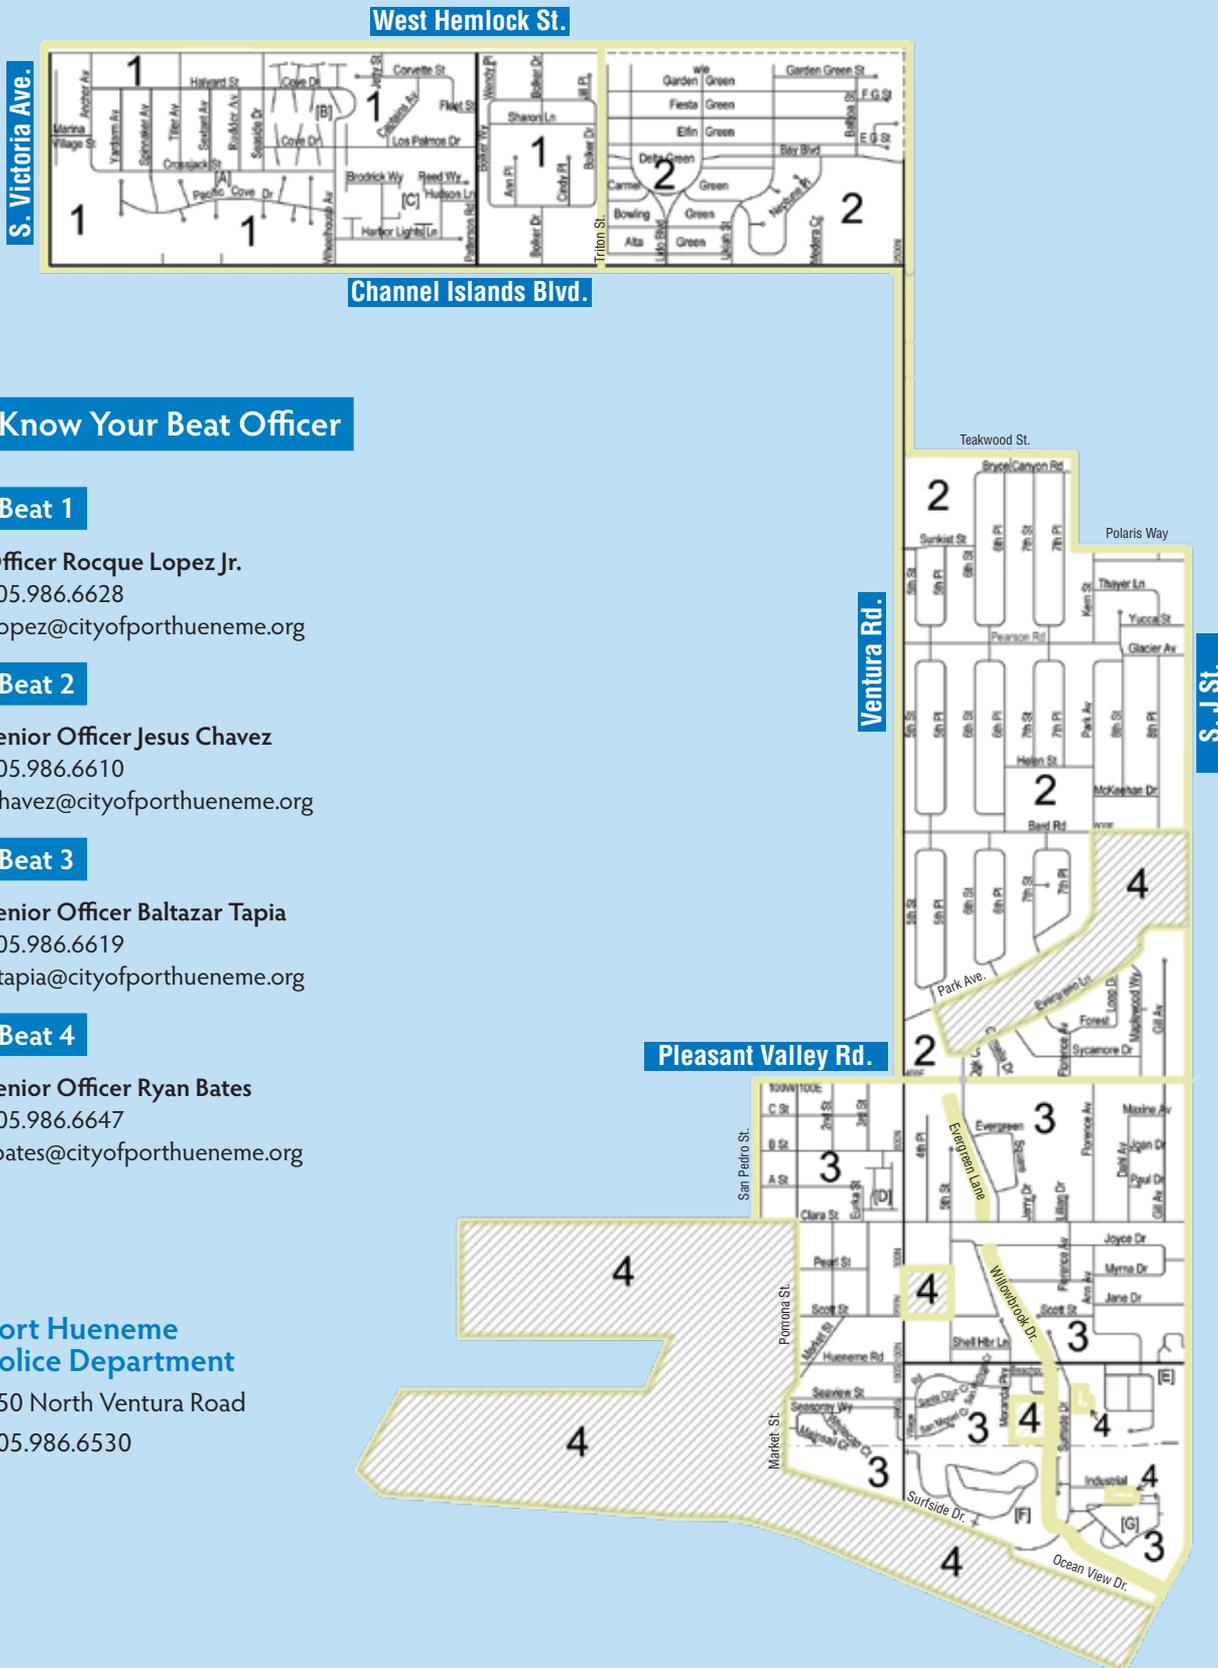

## PROGRAMA DE ELIMINACION DE GRAFITI

La Ciudad de Port Hueneme responde lo antes posible cuando se reporta un caso de grafiti.

Para reportar y remover el grafiti en propiedades y lugares públicos, comuníquese con la División de Mantenimiento a Instalaciones al 986-6592.

Para reportar casos de grafiti en propiedades privadas, comuníquese con Cumplimiento al Código (Code Compliance) al 986-6513.

## Know Your Beat Officer

### Beat 1

**Officer Rocque Lopez Jr.**

# COMMUNITY NEWS – NOTICIAS DE LA COMUNIDAD

## NEIGHBORHOOD WATCH

The Port Hueneme Police Department encourages the residents of Port Hueneme to become involved in the Neighborhood Watch Program. Active Neighborhood Watch Programs have been quite effective in community policing and assisting officers by reporting suspicious activity and crime problems. Neighborhood Watch is a crucial part of crime prevention in the City of Port Hueneme.

There are numerous Neighborhood Watch groups in Port Hueneme. Some groups meet on a monthly, bi-monthly or annual basis. Police Department personnel can aid the implementation of a new Neighborhood Watch group by facilitating the initial meeting and conducting presentations on the following topics:

- Crime Trends and Crime Problems in the Area
- Crime Prevention
- Drug Trends
- Personal Safety and Security
- Crime Reporting
- Overall Crime Statistics in the City
- Gangs
- Graffiti
- Identity Theft
- Emergency Preparedness

If you are interested in forming a Watch in your neighborhood or joining an existing group, please contact Police Dispatch at 805-986-6530.

## VIGILANTES DEL VECINDARIO

El Departamento de Policía de Port Hueneme alienta a los residentes de Port Hueneme a participar en el Programa de Vigilantes del Vecindario. Programas activas de Vigilantes del Vecindario han sido bastante eficaces para la policía comunitaria y ayudar a los oficiales por la presentación de informes de actividades sospechosas y los problemas de la delincuencia. Vigilantes del Vecindario es una parte crucial de la prevención de la delincuencia en la ciudad de Port Hueneme. Hay numerosos grupos de Vigilantes del Vecindario en Port Hueneme. Algunos grupos se reúnen en forma mensual, bimestral o anual. Personal del Departamento de Policía puede ayudar a la implementación de un nuevo grupo de vigilancia, facilitando el encuentro inicial y la realización de presentaciones sobre los siguientes temas:

- Prevención del delito
- Tendencias sobre drogas
- Seguridad personal
- Informes del delito
- Tendencias de delincuencia y problemas de delincuencia en la zona
- Estadísticas de delincuencia en general en la ciudad
- Pandillas
- Graffiti
- Robo de Identidad
- Preparación para emergencias

Si usted está interesado en la formación de un nuevo grupo o unirse a un grupo ya existente, póngase en contacto con el Despacho de la Policía en 805-986-6530.

## CURRENT NEIGHBORHOOD WATCHES IN PORT HUENEME PROGRAMAS VIGENTES DE VIGILANTES DE VECINDARIO EN PORT HUENEME

Anacapa View Homes	Barbara Burnett	986-1662
Beach House	Trans Pacific Mgmt.	496-5514
Bolker Villa Seville	Karen Furnish	987-8945
Bolker Park	Beth Undia	985-7233
Hueneme Bay	Dolores Dyer	758-0053
Harborlights	Will Berg	488-3677
Marina Victoria	AAMS Chris Alapont	984-0355
Marlborough Seaside	Mike Hurd	889-6828
Oceanwalk	Susan Cabral	271-8585
Pacific Collection	Tony Volante	984-8066

Sandpiper II	Spectrum Mgmt.	642-6160
Seaview Apts.		986-2906
Sunkist-Redwood	Jeremy	644-4208
Surfside I	Dianne Ramirez	488-3304
Surfside III	Val Lameka	986-2855
Surfside Village	Ron & Joan Dawson	488-1310

Several of these "Watch" groups have implemented "Citizen Patrols" in their areas. These Patrols receive special training from the Port Hueneme Police Department.

Muchos de estos grupos de Vigilantes, han implementado programas de "Patrulla Ciudadana en sus zonas. Estas Patrullas han recibido entrenamiento especial del Departamento de Policía.

## Home Maintenance Incentive Rebate Program

The mission of the **Home Maintenance Incentive Rebate Program ("HMIRP")** is to provide financial incentives in the form of cash grants to stimulate preservation of the housing stock in the City's mature neighborhoods, to eradicate substandard housing conditions, and to eliminate and prevent slums and blighting influences.

### Who is eligible to participate?

Owners of eligible properties who undertake certain improvements in accordance with the City's Neighborhood Preservation Program Guidelines are eligible to participate. Eligible properties are those located within the City's Neighborhood Strategy Area. The 92 single-family homes in the Bolker Park area are also eligible. Properties must be at least ten years old and cannot be a part of a planned unit development or governed by a homeowner's association.

### What is an eligible property improvement?

Eligible work under HMIRP is limited to exterior improvements visible from the public right-of-way, which will enhance the appearance of the property. Stucco, roofing, painting, windows, garage doors, driveways, landscaping, and fences are all examples of eligible improvements. HMIRP operates as an incentive; therefore, property improvements that correct code violations and deferred property maintenance (if applicable) must be completed in order to qualify for rebate funding.

### What is an eligible expenditure under HMIRP?

Eligible expenses include all materials, permits, and rental equipment necessary to complete the improvements. Labor expenses are also eligible provided the contractor or business holds a valid City of Port Hueneme business license. Labor performed by the owner, a relative of the owner, or a member of the owner's household is not an eligible expenditure.

### How much cash can I receive under HMIRP?

The amount of each rebate is a percentage of verified eligible expenditures as follows:

<b>High-Income Owner-Occupant</b> (minimum rebate)	<b>10%</b>
<b>Moderate-Income Owner-Occupant</b> (income documentation required)	<b>20%</b>
<b>Low-Income Owner-Occupant</b> (income documentation required)	<b>30%</b>
<b>Investor-Owner</b>	<b>20%</b>

Submission of income information is optional. Applicants who do not wish to disclose their income information may take the minimum rebate of 10%. In an effort to assist special needs groups in improving their living conditions, rebates to owner-occupants may be increased by 5% if the head of household is elderly, disabled, or a single parent.

### How many rebates can I receive?

An applicant may receive more than one rebate until the applicant has spent \$20,000 on eligible home improvements. There is also a minimum expenditure requirement of \$500 per rebate.

### What are the steps involved in obtaining an HMIRP grant?

There are four key steps involved in the process.

1. Submit an HMIRP application before commencing work.
2. Schedule a preliminary exterior inspection of the property.
3. Spend a minimum of \$500 on eligible work and complete all required work within 120 days of the preliminary inspection.
4. Present written receipts for expenses upon completion of work.

### How can I get an HMIRP application?

For an application and additional information, please contact:

Jennifer Arriola  
Community Development Programs Manager  
(805) 986-6552  
email: [jarriola@cityofporthueneme.org](mailto:jarriola@cityofporthueneme.org)

Applications may also be obtained in person at Port Hueneme City Hall, Department of Community Development, 250 North Ventura Road, Port Hueneme.

## Affordable Rental Housing

The City of Port Hueneme owns several duplexes, apartments, townhomes, and single-family dwellings consisting of either one or two bedrooms. The units are available for rent on a month-to-month basis, at below-market rents, to qualified individuals and families whose household income is classified as very low, low, or moderate income. Priority is given to applicants who live or work full time in Port Hueneme. Please call Jennifer Arriola at (805) 986-6552 if you would like additional information or to inquire about availability.

## Residential Rehabilitation Loan Program

Two types of loans are available to address deferred maintenance issues and to undertake general property improvements. These loans do not require a monthly payment.

- **Equity Share** loans are available to owner-occupants and investor-owners for interior and exterior improvements. The maximum amount of an Equity Share loan is governed by the size of the home and the owner's available equity. Interest is based on a percentage of the increase in property value after rehabilitation. Low and moderate-income owners may qualify for gradual interest forgiveness over the 30-year term of the loan.
- **Curb Appeal** loans are designed to assist low and moderate-income owner-occupants with more modest rehabilitation needs. Up to \$25,000 can be borrowed for exterior home improvements. Cost-effective energy and water conservation measures such as tankless water heaters, insulation, and dual-flush toilets are also eligible. This loan carries a 3% simple interest rate and a 30-year term.

Please call Jennifer Arriola (Department of Community Development) at 986-6552 to request an application or to obtain additional information about the programs.

## PROPER DISPOSAL OF NEEDLES & EXPIRED MEDICINE

Improper disposal of used "sharps" (needles, syringes and lancets) can injure children, home healthcare providers, sanitation workers and pets through accidental "sticks". Expired medicine should not be thrown away or flushed down the drain for safety and environmental reasons. There is a safe solution!

Bring your used sharps and your expired medications to the lobby at the Port Hueneme Police Department located at City Hall, 250 N. Ventura Road. Two large bins have been provided for convenient and proper disposal.

Other drop-off locations for medical "sharps" in the Oxnard area:

- Oxnard Public Health Center  
2500 S C St, Suite D, Oxnard  
(805) 981-5221
- Las Islas Family Medical Group  
2400 S C St, Oxnard  
(805) 240-7000
- Magnolia Family Health Center  
120 Magnolia Ave, Oxnard  
(805) 981-5151
- St. John's Regional Medical Center  
1600 N Rose Ave, Oxnard 93030  
(805) 981-5221

For more information, visit the following web links:

### Earth911.org

[www.earth911.org](http://www.earth911.org)

(Type "sharp" and your Zip Code on the "Find a Recycling or Re-Use Location" search bar on the top of the page)

### Sharps Web Page

[www.ciwmb.ca.gov/HHW/Sharps](http://www.ciwmb.ca.gov/HHW/Sharps)

## STOP STORMWATER POLLUTION

### This Curb Sign is a Reminder

Storm drains convey runoff from your neighborhood to the nearest body of water. Contrary to popular belief, storm drains do not carry storm water to wastewater treatment plants – storm drains lead directly to our streams, beaches and the ocean.

Pollutants can be carried by runoff from every street, parking lot, sidewalk, driveway, yard and garden. Examples of types of these pollutants are:

- Sediment
- Pet Wastes
- Pesticides
- Fertilizer
- Automobile Fluids (oil, grease, antifreeze)
- Grass Clippings, Leaves, and other Yard Waste
- Construction Materials (paints, concrete, thinners, drywall compound)
- Trash (cups, wrappers, bags, cigarette butts, plastic bottles)

Everyone can make a difference by doing small things such as: picking up after your pets, using alternative pesticides and fertilizers, regular automobile maintenance, and proper disposal of construction materials and trash. Let's all help make our environment and our community a cleaner place to live.

If you have any questions or would like to learn more about how to help prevent storm water pollution, please contact the Wastewater Division at 986-6661 or visit the Ventura County Watershed Protection District on-line at [www.vcstormwater.org](http://www.vcstormwater.org) or visit [www.cleanwatershed.org](http://www.cleanwatershed.org).

## LIVING GREEN

There are many small improvements to make your home more friendly to the environment that won't cost a lot of money. Small changes at home can translate to big savings in energy and dollars.

Some examples:

### Compact Fluorescent Light Bulbs

Changing ten 60-watt bulbs in your home will save on average more than \$373 over the life of the new bulbs and prevent more than 1,700 pounds of carbon emissions. Changing ten bulbs of 100 watts will save more than \$622 and prevent almost 3,000 pounds of carbon emissions.

### Appliances

Energy-efficient appliances can save \$80 a year for the average homeowner who spends \$1,900 on power bills. If one in ten homes switched to Energy Star-rated appliances, it would be the same as planting 1.7 million acres of trees. For example, a new Energy Star-rated refrigerator uses 40% less energy than a traditional one from 2001.

### Heat & Air Conditioning

A programmable thermostat set 8 degrees lower in winter and 4 degrees higher in summer for eight hours during the day and 10 hours at night will save the average family \$150 a year.

### Water Heating

Turning down your water heater by 20 degrees can save as much as 10% in energy costs. Many water heater thermostats are preset to 140 degrees even though most households need hot water only at 115 degrees to 120 degrees. Each 10-degree reduction in water temperature will save homeowners 3% to 5% in energy costs.

## YOU CAN'T FLUSH THIS!

**Indiscriminate flushing can cause high plumber's bills, clogged pipes and harm to aquatic life.**

The toilet is a magical trashcan. Simply toss, flush, and your garbage is marvelously whooshed away to some watery subterranean netherworld, never to be seen again.

Or so we like to think.

In fact, such practices clog toilets, damage water treatment facilities, necessitate expensive cleanups, increase water and sewer bills, create raw sewage overflows, harm marine animals and create toxic environmental issues.

When you use your toilet, shower, sinks, washing machine and dishwasher, wastewater leaves your home through pipes that connect to the city sewer system. Many materials frequently flushed down the drain can harm the pipes that connect to the sewer system as well as the homeowner's system. Putting the wrong things down the drain can damage the sewer system and cause sewer backups in your home.

### The "Dont" List:

1. "Flushable" Wipes

2. Prescription Medication

3. Cotton Balls, Swabs, or any Personal Care Item

4. Cigarette Butts

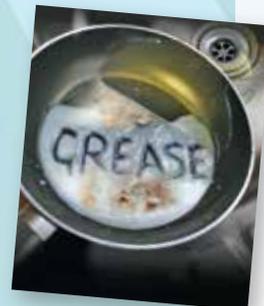

5. Cat Litter

None of these items degrade and all them cause clogging and backups in the nation's sewer systems. This is costing millions of dollars to dispatch crews to unclog pipes, pumps, and replace machinery. They also cause expensive plumbing problems for the homeowner and even sewer backups into the residence. Some of them contain toxic chemicals that don't belong in our water system.

There is only **ONE** thing that should be flushed down a toilet – **TOILET PAPER!** Doing otherwise causes everyone to pay higher water and sewer bills and harms the environment.

## DON'T GET CLOGGED!

Fats, oils and grease (FOG) separate from other liquids as it goes down your drain. The FOG cools and sticks to household pipes and sewer pipes. Over time, pipes become clogged and wastewater flow becomes restricted. The clogged pipes back up and flood your home with wastewater. Or, it causes wastewater to overflow onto the street. The untreated wastewater can then flow to local waterways. Sewer overflows can harm the environment. Not only is FOG costly to the environment, it is also costly to ratepayers.

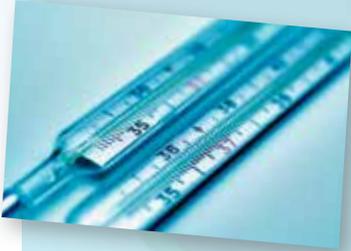

### What Are the Proper Methods for Disposing of Fats, Oils, and Grease in the Kitchen?

#### Proper Disposal is Easy!

1. Fats, oils and grease should never be poured down the sink. Sink drains and garbage disposals are not designed to properly handle these materials.
2. Before washing, scrape and dry wipe pots, pans and dishes with paper towels and dispose of materials in the trash. Use sink strainers to catch food items, then empty into the trash.
3. Pour fats, oils and grease after it has cooled into a container, such as an empty glass jar or coffee can. Once the container is full, secure the lid and place it in the trash.
4. Clean oil (strained with food particles removed) may be brought to Clean Harbors Environmental Services free of charge to Port Hueneme residents.

**Clean Harbors  
Environmental Service**  
(805) 987-0717  
880 W. Verdulera St.  
Camarillo, CA 93010

## WHAT TO DO WITH MATERIALS NOT ACCEPTED AT HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENTS

### Smoke Detectors

These contain low levels of radioactive waste. Please send them to the manufacturer for proper disposal.

### Tires

Many tire stores accept used tires for a fee (between 75 cents and \$5) or will dispose of your old tires free-of-charge when you purchase new ones. Del Norte Regional Recycling Center at (805) 278-8200 also accepts tires for a fee from Ventura County residents.

### Building Supplies

- Habitat ReStore  
121 S. Rice Ave., Oxnard  
(805) 981-2268

## CONSTRUCTION & DEMOLITION DEBRIS

### Brush, Wood & Lumber Recycling

- Cal-Wood Recycling (805) 986-2299

### Concrete, Asphalt, Rock, Brick & Dirt

- Vulcan materials company in Oxnard (805) 672-2505

**Thanks for helping protect the environment!**

## CELL PHONE RECYCLING

Recycle your cell phones at any AT&T Wireless store, Verizon store or the Buyback Center at:

Del Norte Transfer Station  
111 S. Del Norte Blvd, Oxnard  
(Use Del Norte Blvd. entrance)  
(805) 278-8200 • 7 am – 4 pm  
Monday – Saturday (No charge)

**NO ILLEGAL DUMPING OF HAZARDOUS WASTE**  
– Under Code Section 6007 –

## MOTOR OIL RECYCLING LOCATIONS

### Auto Zone

Centerpoint Mall  
154 Laurel Street, Oxnard  
(805) 487-4883 • 10 am – 12 Noon  
Monday – Friday (No charge)

### Pep Boys

939 S. Oxnard Boulevard, Oxnard  
(805) 486-6387 • 8 am – 9 pm  
Monday – Friday (No charge)

### Del Norte Transfer Station

111 S. Del Norte Blvd, Oxnard  
(Use Del Norte Blvd. entrance)  
(805) 278-8200 • 7 am – 4 pm  
Monday – Saturday (No charge)

For additional locations and information, call 1-800-CLEANUP or visit [www.ciwmb.ca.gov/usedoil](http://www.ciwmb.ca.gov/usedoil)

## MANDATORY COMMERCIAL RECYCLING REGULATIONS

The State of California has made business recycling a requirement in newly enacted legislation (AB 341). As of July 1, 2012, all businesses that generate 4 cubic yards or more of trash per week and all multifamily complexes with five or more units (regardless of how much trash they generate) will be required to recycle.

The threshold for compliance is determined by solid waste service capacity, and does not take into account whether or not the dumpster is actually filled on a weekly basis. Businesses sharing trash service that meet this threshold must recycle even if they individually do not generate 4 cubic yards of waste.

Businesses include firms, partnerships, corporations, non-profit entities, strip malls (property complexes containing two or more commercial entities), industrial facilities, schools, colleges, universities and government facilities.

If your business does not already subscribe to commercial recycling service, the City of Port Hueneme's Solid Waste Division can help guide you through the transition. Free business waste evaluations are available to help determine the appropriate service level and get you started. In many cases adding recycling service can reduce your overall trash bill.

For questions about your company's current service levels, or to schedule a free solid waste evaluation, call (805) 986-6663.

For information about Household Hazardous Waste Collection call (805) 987-0717.

## COMMUNITY NEWS

### PLACEMENT OF RESIDENTIAL TRASH & RECYCLING CONTAINERS FOR PICKUP

To improve collection service and help keep rates low, the Public Works Department, Solid Waste Division requests that all containers be placed in the street near the curb & away from obstructions by 7 am on your normally scheduled pick-up day. This practice will allow the container to become more accessible. Please provide 2-foot clearance on either side of the containers so that the collection vehicle's hydraulic arm can grab the container.

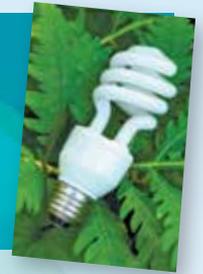

For those residents who live in condominium complexes, please place your container at least four feet away from your building. This placement will allow for clearance of the building when the container is lifted so that the container does not strike any overhang of the building.

#### Please be aware of the following:

- Place containers two (2) feet apart and two (2) feet from any obstacle.
- Place container in the street by the curb.
- Place container away from trees and poles.
- We are unable to pick up trash if hazardous waste (i.e. oil, paint, etc.) is present in container.
- Do not put tires in containers.
- Do not place bags on top or around container.
- Do not overfill container. The lid must close.
- Any vehicle parked too close to a container will prevent pickup of the container. Solid Waste employees cannot re-position containers.
- We are unable to empty containers with objects sticking out two (2) or more feet.
- Trim trees 16 feet above the street and along curb line.
- Do not put greenwaste in the blue recycle carts.

Please keep in mind that the purpose of automated vehicles is to allow for faster and more efficient service to our city. Your cooperation is greatly appreciated.

### YOUR USED COMPACT FLUORESCENT BULBS CAN BE RECYCLED FREE OF CHARGE AT THE FOLLOWING LOCATIONS:

#### DO IT BEST HARDWARE/HOME/GARDEN

637 W. Channel Islands Blvd., Port Hueneme, CA 93041

#### CITY OF PORT HUENEME PUBLIC WORKS

700 E. Surfside Dr. #B, Port Hueneme, CA 93041

#### HOME DEPOT

401 W. Esplanade Dr., Oxnard, CA 93030

#### DEL NORTE TRANSFER STATION

Questions? Please call 986-6650

## TO KEEP OUR CITY LOOKING SPECIAL

### Here's What's Prohibited in the City of Port Hueneme

Keeping our City looking special requires cooperation and effort on the part of our citizens – and Code Enforcement strictly enforces the following violations:

- Parking on your grass or side yard (dirt or rock) – except on the day of street sweeping, and only on that day if your driveway has no room to park your car.
- Vehicle repairs on public streets and on driveways that are visible from public right-of-ways – if the vehicle must be repaired, it must be done inside your garage.
- Inoperable vehicles – This includes vehicles with flat tires or an accumulation of dirt & debris under and around the vehicle. If a vehicle is being stored on a driveway, please keep the tires inflated and the car covered.
- Overgrown Vegetation – Please mow your lawn regularly and keep bushes and shrubs trimmed.
- Overgrown Trees – Trees in front yard areas must be kept a minimum of 16 feet above street areas and 7 feet above sidewalks. Shrubs growing over walls must be kept cut back to ensure pedestrians have unrestricted access on sidewalks.
- No parking across sidewalk areas forcing pedestrians to walk around them (overhanging bumpers/fenders from short driveways). Also, no parking in front of driveways, even if it's your own. If you have questions, please phone 986-6513.
- No driving over a curb or a sidewalk.

Nicole Misewitch

## THE BLUE RECYCLE CART

Here is a list of items that can be placed in your blue recycling cart.

- Newspapers, magazines, cardboard
- Cereal boxes, junk mail, phone books
- Empty metal cans
- Plastic & glass bottles & lids
- Colored papers, aluminum foil & trays
- Milk or juice cartons that do NOT have waxy residue.
- Brown paper grocery bags
- Catalogs, mixed paper
- Frozen food boxes, envelopes
- Plastic pots, dairy tubs (butter, yogurt)
- Empty aerosol cans

Do NOT place the following in your recycling cart:

- Fluorescent lights, batteries of any kind
- Electronics, computers, cell phones
- Window glass or ceramics
- Clothing or textiles
- Plastic grocery bags
- Hoses
- Oil, oil based paints, antifreeze
- Household cleaners, solvents
- Items containing mercury
- Pesticides
- Pet waste
- Styrofoam of any kind (cups, food containers or packing materials)
- Greenwaste

## STREET SWEEPING FACTS:

There are only four holidays per year that the street sweeper does not sweep. Those days are as follows:

- **July 4th**
- **Thanksgiving (Thursday only)**
- **Christmas Day**
- **New Year's Day**

The street sweeper does not sweep in the rain. If there is drizzle, chances are the sweeper will be coming around. However, anything heavier usually prevents the sweeper from performing its duties.

Remember, it's always best to phone City Hall at 986-6500 if you're not sure street sweeping is being enforced. You may also call if you anticipate a problem with parking on your assigned street sweeping day. Just phone in **prior** to

your posted time and provide the vehicle make, color and license number as well as the reason the vehicle cannot be removed from the street, and we will get the information to the Parking Enforcement Officer.

If you have a sweeper related complaint:

- Street did not get swept
- Sweeper causing too much dirt
- Sweeper is driving too fast

Email [jlott@cityofporthueneme.org](mailto:jlott@cityofporthueneme.org) and provide:

- Date and time of occurrence
- Location
- Your contact information (optional)

For more information please visit our website at [www.cityofporthueneme.org](http://www.cityofporthueneme.org)

## MANDATORY ORGANICS RECYCLING

The State of California enacted legislation (AB1826) requiring businesses to recycle their organic waste on and after April 1, 2016, depending on the amount of organic waste they generate per week. This law also requires that on and after January 1, 2016, local jurisdictions across the state implement an organic waste recycling program to divert organic waste generated by businesses, including multifamily residential dwellings that consist of five or more units (please note, however, that multifamily dwellings are not required to have a food waste diversion program). Organic waste (also referred to as organics) means **food waste, green waste, landscape and pruning waste, nonhazardous wood waste, and food-soiled paper waste** that is mixed in with food waste. This law phases in the mandatory recycling of commercial organics over time.

### Implementation Dates & Thresholds

**January 1, 2016:** Local jurisdictions shall have an organic waste recycling program in place. Jurisdictions shall conduct outreach and education to inform businesses how to recycle organic waste in the jurisdiction, as well as monitoring to identify those not recycling and to notify them of the law and how to comply.

**April 1, 2016:** Businesses that generate eight cubic yards of organic waste per week shall arrange for organic waste recycling services.

**January 1, 2017:** Businesses that generate four cubic yards of organic waste per week shall arrange for organic waste recycling services.

**August 1, 2017 and On-going:** Jurisdictions shall provide information about their organic waste recycling program implementation in the annual report submitted to CalRecycle. (See above for description of information to be provided.)

**January 1, 2019:** Businesses that generate four cubic yards or more of commercial solid waste per week shall arrange for organic waste recycling services.

**Summer/Fall 2021:** If it is determined the statewide disposal of organic waste in 2020 has not been reduced by 50 percent of the level of disposal during 2014, the organic recycling requirements on businesses will expand to cover businesses that generate two cubic yards or more of commercial solid waste per week. Additionally certain exemptions, previously discussed, may no longer be available if this target is not met.

The City of Port Hueneme, Solid Waste Division, can help guide you through the transition. For questions related to this, or any other solid waste or recycling services, please call (805) 986-6663.

# COMMUNITY NEWS

## GREENWASTE

To meet state requirements, the City initiated a program to divert yard clippings and other greenwaste from the landfill. The greenwaste is converted into mulch that is used to enhance soil and improve plant growth.

Residents are requested and encouraged to utilize mulching blades on lawn mowers if possible. Mulching mowers reduce grass cuttings, leave less to dispose, and keep the nutrients on your lawn. As of July 1, 2014, homeowners can reserve a green waste container for \$17.14. (Thursday drop off; Monday pick up) by contacting the Solid Waste Division at 986-6650. A limited number of containers are available weekly, so please schedule early. Misused containers contaminated with dirt, trash, bags, palm fronds or nails in wood will be subject to an additional charge of \$104.94. If you have any questions, or desire this service, please call 986-6650.

Landscape Contractors are required, by City Ordinance, to divert and deposit their greenwaste at a certified recycling facility.

Prices subject to change without notice.

## WHY COMPOST?

- It's easy!
- It reduces the amount of waste you bring to the curb!
- Composting returns rich organic material from your kitchen and garden into usable compost!
- Composting improves the quality of your soil!

For more information, please call the Solid Waste Division at 986-6550.

## DISCOUNTED COMPOST BINS ONLY \$30

The City of Port Hueneme is proud to offer the "Garden Gourmet" Backyard Compost Bin for Port Hueneme residents **ONLY**.

- Constructed completely from 100% recycled plastic.
- Nothing to rot or rust.
- Easy to assemble – no additional hardware needed.
- UV safe – the black color absorbs and contains the heat.
- The large peaked lid overlaps the unit making it resistant to pests.
- Sliding door at bottom makes compost removal fast and efficient.
- Guaranteed for 10 years.
- Measures approximately 30" high x 2' wide and weighs approximately 10 pounds.
- Delivered directly to your door by the Solid Waste Division.
- Please allow 7-10 days for delivery.
- Checks or money orders only.

Prices subject to change without notice.

## To Order Your "Garden Gourmet" Backyard Compost Bin

Please complete this coupon and mail to:  
City of Port Hueneme  
Public Works Department – Solid Waste Division  
250 N. Ventura Road, Port Hueneme, CA 93041

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: (Home) \_\_\_\_\_ (Work) \_\_\_\_\_

— Please make checks payable to: City of Port Hueneme —

## DUMPSTER/ROLL OFF RENTALS

The Port Hueneme Municipal Code requires that the Port Hueneme Solid Waste Division provide all bin rentals within City limits unless a private contractor, using their own container for material disposal, obtains a self-haul permit and reports all disposal tonnage to the Solid Waste Division. To order a bin, a completed application and bin deposit may be required. The application and deposit must be submitted to the City of Port Hueneme Finance Department in City Hall at 250 N. Ventura Road a minimum of 24 hours prior to bin delivery. Three (3) cubic yard bins and six (6) cubic yard bins are for use for up to one month and are delivered Monday-Friday. Thirteen (13), twenty (20) and forty (40) cubic yard bins are delivered Monday-Friday. Some City-observed holidays are excluded from the delivery schedule

Due to traffic, road and weather conditions and/or wait-time at disposal sites, it is not possible to schedule an EXACT time for deliveries or exchanges.

All services are done between the hours of 7:30 am and 4:30 pm, Monday through Friday excluding holidays.

### 3-Cubic Yard Bin Delivery Fee

\$ 51.77	Delivery Fee
\$104.94	Collection/Disposal
\$156.70	Deposit

### 6-Cubic Yard Bin (Temporary)

\$ 51.77	Delivery Fee
\$202.88	Collection/Disposal
\$254.65	Deposit

### 13-Cubic, 20-Cubic or 40-Cubic Yard Bin

\$ 51.77	Delivery Fee
\$163.00	Collection/Disposal
\$608.33	Deposit

- \* Disposal Additional
- \* Applicable disposal fee per ton will be charged to the customer. If no service within 30 days a rental fee will be applied. Please call the Solid Waste Division at (805) 986-6650 with any questions.

Prices subject to change.

## PLEASE MARK YOUR CALENDARS

### 2016-2017 Residential Trash / Recycle Holiday Pickup Schedule

#### July 4, 2016 – Independence Day

Trash and recycling schedule will **not** be affected by the July 4th Holiday. Please have your carts curbside by 7am on your regularly scheduled pick up day.

#### November 24, 2016– Thanksgiving

**No** pick up on Thursday, November 24. Thursday's trash will be picked up on Friday, November 25. Monday, Tuesday, and Wednesday will have pick up on the normal day.

#### Christmas Tree Disposal 2017

Christmas trees will be recycled the week of January 9, 2017 – on your normal pick up day. Please remove stands, all tinsel and ornaments before placing the tree next to your trash cart. Trees can also be taken to the Del Norte Transfer Station, 111 S. Del Norte Blvd. in Oxnard free of charge during this time.

## SANTA CLAUS IS COMING TO PORT HUENEME

Jolly Old St. Nick will be making his annual visit through the streets of Port Hueneme.

Santa and his helpers will be passing out candy and listening to your Christmas wishes.

So – boys and girls, you “Better Watch Out and You Better Be Good” and get ready to meet Santa and his volunteer helpers who will again be visiting your neighborhood for one week in December (Monday through Thursday).

# We Make Cargo Move

***Working together to enhance community prosperity since 1937.***

Our niche Port is doing big things.

The Port is a vital economic engine for the City of Port Hueneme and all of Ventura County, handling billions in cargo, generating millions in economic activity, and providing thousands of trade-related jobs.

We are as proud of our \$1.1 billion economic contribution to the community as we are of the people who have made it possible.

## Conserving in the Rain Conservando agua durante temporada de lluvias

**A**fter much anticipation, El Nino has finally arrived. We've been taking five minute showers and letting our cars go dirty. Now we're placing sandbags around our property and watching rain water roll down the street.

While certainly cause for celebration, we can't relax yet – if at all. 2015 will be remembered as one of the driest years in California history. While there are promising signs El Nino will bring some relief, experts warn the drought is not over. No matter how wet, El Nino won't come close to restoring California to predrought levels.

It may be raining cats and dogs, however our water deficit is so deep after years of drought that several years of El Nino winters would be needed to replenish our water supply. Some researchers believe that the state may never recover from the drought and we should forget any notion of "normal". In April 2015 Governor Brown ordered a statewide 25% reduction of water usage, and extended that order for another 10 months in November 2015, which continues to be in effect until October 2016. Officials are warning California residents not to abandon conservation efforts.

When you add climate change and population growth to the mix, water conservation is now a permanent facet of the California lifestyle – vital to our communities. So, let's raise our glasses to the rain and keep looking for those five minute shower songs.

**For more information visit:**

- [www.SaveOurWater.com](http://www.SaveOurWater.com)
- [www.waterboards.ca.gov/water\\_issues/programs/conservation\\_portal/emergency\\_regulation.shtml](http://www.waterboards.ca.gov/water_issues/programs/conservation_portal/emergency_regulation.shtml)
- <http://droughtmonitor.unl.edu/Home/StateDroughtMonitor.aspx?CA>
- [www.PortHuenemeGardens.org](http://www.PortHuenemeGardens.org)

**D**espués de tanta anticipación, el fenómeno "El Nino" ha llegado. Para conservar agua, hemos estado bañándonos por solo 5 minutos y no hemos lavado los coches. Durante tormentas estamos poniendo sacos de arena alrededor de nuestra propiedad y estamos viendo el agua correr por las calles.

Mientras la lluvia sea razón de celebración, el 2015 será recordado como uno de los años más secos de la historia en California. Mientras se pronostica que "El Nino" traerá algo de ayuda, los expertos advierten que la sequía no ha terminado. No importa cuanta lluvia nos traerá "El Nino", California no regresara a los niveles de antes de la sequía.

Podrá estar lloviendo, pero la escasez de agua es tan grande, que necesitaríamos varios años en condiciones "El Nino" para recuperarnos después de tantos años de sequía. Algunos expertos creen que el estado de California nunca se recuperara de la sequía y no regresaremos a niveles normales. En Abril del 2015, el Gobernador Brown ordeno una reducción del 25% en el uso de agua, y en Noviembre del 2015 lo extendió por otros 10 meses, y sigue en efecto hasta Octubre del 2016. Los oficiales advierten a los residentes de California que no abandonen los esfuerzos de conservar agua.

Considerando el cambio climático y el aumento en población, el conservar agua es una faceta permanente en la vida de los californianos y vital para nuestras comunidades. Sigamos conservando el agua.

# Indoor Water Use in the United States

Americans use large quantities of water inside their homes. A family of four can use 400 gallons of water every day, and, on average, approximately 70 percent of that water is used indoors.

The bathroom is the largest consumer of indoor water. The toilet alone can use 27 percent of household water. Almost every activity or daily routine that happens in the home bathroom uses a large quantity of water. For example:

- Older toilets use between 3.5 and 7 gallons of water per flush. However, WaterSense® labeled toilets use at least 60 percent less water.
- A leaky toilet can waste about 200 gallons of water every day.
- A bathroom faucet generally runs at 2 gallons of water per minute. By turning off the tap while brushing your teeth or shaving, a person can save more than 200 gallons of water per month.

Outside the bathroom, there are many opportunities to save water. Here are some common water-efficiency measures, along with a few solutions to those problems you may not have known existed:

- High-efficiency washing machines can conserve large amounts of water. Traditional models can use 50 gallons or more of water per load, but newer, energy- and water-conserving models (front-loading or top-loading, non-agitator ones) use less than 27 gallons per load.

## How Much Water Do We Use?

Source: American Water Works Association Research Foundation, "Residential End Uses of Water," 1999

- Washing the dishes with an open tap can use up to 20 gallons of water, but filling the sink or a bowl and closing the tap saves 10 of those gallons.
- Keeping a pitcher of water in the refrigerator saves time and water instead of running the tap until it gets cold.
- Not rinsing dishes prior to loading the dishwasher could save up to 10 gallons per load.

WaterSense, a partnership program sponsored by the U.S. Environmental Protection Agency, seeks to help families and businesses realize that they can reduce water use by doing just a few simple things, such as upgrading to higher quality, more efficient products. For more information, visit <[www.epa.gov/watersense](http://www.epa.gov/watersense)>.

## WATER CONSERVATION MESSAGE

Water conservation is not only a shared responsibility of the City of Port Hueneme and its residents, but a key part of an integrated resource strategy to ensure Port Hueneme's customers continue to have enough water to meet their needs. As water becomes increasingly scarce, public agencies, businesses and water managers are looking for new and sustainable ways to resolve water supply concerns.

With the cost of water and sewer services on the rise, water conservation is just another way that you can help protect the environment and save money. Whether you use water wisely or waste it, we still pay for every drop. By conserving water, you can save on other services. When less hot water is used, less energy is required to heat the water, thereby decreasing electric and gas bills. When you use less water, less water goes down the sewer drain which helps hold down sewer processing costs. Water conservation is quite simple and something we should all get into the habit of doing.

Often, we do not appreciate what is abundant and easy to obtain. We turn on the faucet at any time of the day and water is there, ready for our use. But have you ever wondered where this water is coming from? It doesn't just automatically appear. Treated water has to be carefully manufactured. It is only available in your home after it has gone through a lengthy treatment process and traveled through miles of underground pipelines.

Each of us will be better prepared for the next drought if we take action now by retrofitting high-water-using fixtures, appliances, equipment, and landscapes. When droughts occur, it seems to bring out the water conservationist in all of us. By practicing efficient water usage, it will reduce the amount of stress that we place on our resources. When we conserve water, it minimizes the wear and tear on major infrastructure such as water and wastewater treatment plants, as well as distribution systems which deliver water.

The City of Port Hueneme has taken the steps to reduce water consumption by participating with the Metropolitan Water District and the Family of Southern California Water Agencies to provide outreach programs to help educate the public on the importance of water conservation. By participating in this program, you can help reduce water consumption while experiencing minimal lifestyle changes. For updated conservation information and rebate programs please visit [www.bewaterwise.com](http://www.bewaterwise.com). Furthermore, water conservation will not only help your children become responsible environmental citizens, but it also helps to ensure an adequate water supply. However, it is only when each of us embraces and applies effective water conservation measures, that the City can be successful in meeting its long-term water supply goals.

## UNDERSTANDING THE WATER CONSERVATION ORDINANCE

The City of Port Hueneme has completed the installation of water meters citywide, which will allow for the measurement of water use at specific locations. In addition, the City has initiated an official water conservation program similar to the efforts of other cities in our region.

This ordinance addresses water conservation and the wasteful activities (not the use of water) to help limit the impacts of our water supplies.

The following items have become a permanent requirement of the water conservation ordinance:

- Prohibit landscape watering between 9 am and 5 pm on any day except if watering is done with a hand-held hose.
- Limit the watering duration while using a landscape irrigation system to 15 minutes per station.
- Prohibit excessive water runoff.
- Prohibit washing down of paved areas except for safety and sanitary reasons.
- Require plumbing or irrigation line leaks and breaks to be repaired.
- Require water fountains to use re-circulated water.
- Limits washing of vehicles to be done using a hand-held bucket or hand-held hose equipped with a positive self-closing water shutoff nozzle.
- Requires patrons to request water at eating establishments.
- Requires lodging establishments to provide the option to their customers for daily linen services.
- Requires food preparation establishments from using non-water conserving dish wash spray valves.

Included in the ordinance are provisions to incorporate additional restrictions (Levels) if needed as water supplies continue to decrease: Levels 1, 2 and 3 (exhibit A) include additional consumer demand water reduction measures. To address any hardships resulting from the water supply shortages, procedures have been included to provide a process for review.

A public outreach effort will be initiated to inform residents and commercial establishments of the new requirements related to the water conservation ordinance. The City will send out notices of the ordinance and provide enforcement as needed to the abuser of our water supplies.

The passing of this ordinance will ensure that all available rebates, conservation resources and grant funds offered by the State and the Metropolitan Water District are made available to the City's customers.

**A copy of the ordinance is available at [www.cityofporthueneme.org](http://www.cityofporthueneme.org). In addition, the Water Division is available to answer any questions you may have regarding the ordinance. Call 986-6563.**

## DIRECT PAY PROGRAM FOR CITIZENS' UTILITY BILLS

### What are some advantages of direct pay?

Your bill gets paid automatically, on time, whether you are at home or out of town. You never have to worry about penalties. You never have to write a check.

### How does direct pay work?

Once direct pay is implemented for your account, you will continue to receive your itemized bi-monthly utility bill. It will read: "DO NOT PAY" on the right-hand side of the Remittance Stub. Fifteen (15) days after the billing date, your checking account will automatically be debited for all current charges shown on your bill. Of course, you can still call the City if you ever have questions about your bill.

### Who is eligible to be part of Direct Pay?

Direct Pay is open to all residential and business customers. Your City of Port Hueneme utility account must have no past due amounts on the account and include a history of no more than one returned check in the last twelve month period.

### What does it cost?

There is no charge from the City of Port Hueneme to participate. However, some financial institutions may charge a transaction fee for electronic fund transfers. Please check with your bank regarding any possible fees.

### After I'm enrolled, how do I change information on my enrollment?

It is critical that you immediately notify the City of Port Hueneme regarding any changes (bank account information, address, etc.) Inaccurate information may result in payments being refused by your financial institution. The City cannot be responsible for losses, including late penalties applied to your account, which result from inaccurate information or failure to provide timely notification of changes.

### What happens in the event of a rejected payment?

Payments may be rejected by your financial institution because of insufficient funds, closed/unauthorized accounts, or other reasons. Check with your financial institution for any fees it may impose. If your payment is rejected, the City will charge a \$25 processing fee; \$35 for a subsequent rejection. This is the same fee charged for returned checks. The City reserves the right to terminate your participation in the Direct Pay program if your payment is rejected more than twice within a twelve month period.

### How do I stop being a part of Direct Pay?

You may cancel your participation at any time by calling customer service at (805) 986-6524 Monday through Friday 8 am to 5 pm. Termination will be effective no later than ten (10) business days after we receive your notification. Go to [www.cityofporthueneme.org](http://www.cityofporthueneme.org) to learn how to pay your bills online.

\$5 registration fee

**Parks  
Make  
Life  
Better!**

## CARTWHEEL A-GO-GO GYMNASTICS

The City of Port Hueneme is now offering gymnastics classes for children ages 3 – 12.

Gymnastics is a broad motion sport that exposes the body to a variety of different motions and positions. The benefit of this is that the athlete builds strength and flexibility across the entire body.

- Gymnasts train their balance and body awareness and tend to get fewer injuries in everyday play because they are taught very early how to fall.
- Gymnasts do well in school. The focus and discipline skills that are part of every practice tends to transfer to academic studies.
- Gymnasts are confident.
- Gymnasts learn to persevere.
- Gymnasts are patient.

Owner and head coach Duncan Young has been coaching gymnastics for more than thirty years throughout the county. Duncan has worked with special needs athletes as head gymnastics coach for Ventura County Special Olympics. Through gymnastics, Duncan has fostered positive qualities in his students such as perseverance, discipline and self-awareness.

At Cartwheel-A-Go-Go our mission is to provide quality gymnastics instruction, encourage personal development and foster a sense of community. In a world dominated by media, exercise and social engagement is more important now than it has ever been. Encouraging a rounded, confident and well-adjusted child is not only good for your child it is good for the community at large.

**Instructor:** Duncan Young

**Day:** Wednesdays

**Times:** 3:30 – 4:15 pm Ages 3 – 4  
4:15 – 5 pm Ages 5 – 12

**Session:** New Session Every 6 Weeks  
Call For Session Dates

**Location:** Port Hueneme Community Center

**Fee:** \$45 per child, per session

# ADULT & YOUTH PROGRAMS

## FREE CHESS LESSONS IN PORT HUENEME

The City of Port Hueneme is offering a class to introduce the game of Chess to children and adults.

Chess is one of the most powerful educational tools available to strengthen a child's mind. It's fairly easy to learn how to play. Most six or seven year olds can follow the basic rules. Some kids as young as four or five can play. Just like learning a language or music, an early start can help a child become more proficient. Whatever a child's age, chess can enhance concentration, patience, and perseverance, as well as develop creativity, intuition, memory, and most importantly, the ability to analyze and deduce from a set of general principles, learning to make tough decisions and solve problems flexibly.

Chess is a test of patience, nerves, willpower and concentration. It enhances your ability to interact with other people. It tests your sportsmanship in a competitive environment. Chess improves schoolwork and grades. Numerous studies have shown that children obtain a higher reading level, math level and a greater learning ability overall as a result of playing chess, thus increasing their overall self-esteem. Chess opens up the world for your child. It is a universal language. Most tournaments welcome players of all abilities. Chess enables you to meet many interesting people and encourages you make new friends. All necessary materials are provided by the City of Port Hueneme.

**Class Instructor:** Alexander Bykovtsen

**Day:** Tuesdays

**Time:** 3:30 – 5pm

**Location:** Port Hueneme Community Center  
550 Park Avenue, Port Hueneme

**Fee:** Free

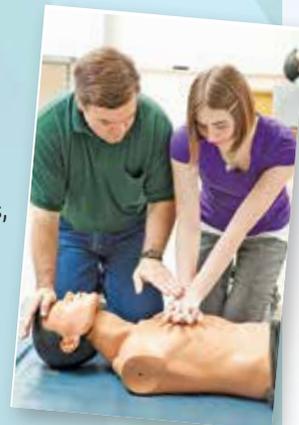

**Optional Class:\*** \$1 for rated tournament monitored and submitted by technical director

**\*Optional:** \$17 U.S. Chess Federation Membership Fee required for tournament play.

**For more information call  
(805) 986-6542.**

## FIRST AID & CPR/AED CLASS

This class teaches adult, child, and infant CPR/AED using lecture, video and hands-on practice (with manikins). This class will also cover basic first aid skills including choking, controlling bleeding, recognizing shock, caring for burns, and dealing with sudden illness. Students who pass the written test and can demonstrate the proper techniques on the manikin will receive a 2-year card certifying them in CPR/AED and First Aid. This class is for childcare providers, teachers, coaches, and the general public.

This class is **not** for professional rescuers and is **not** credited for health care providers.

To register for this class please visit [www.facprtraining.com](http://www.facprtraining.com)  
\*Walk-ups welcome if space is available. Classes are subject to cancellation.

There are 15 spots available per class.

**Day:** Fridays

October 21  
November 4

**For more information about this class  
please call (805) 415-8165 or email  
[gregorybarnes@verizon.net](mailto:gregorybarnes@verizon.net)**

# SENIOR PROGRAMS

## PORT HUENEME SENIOR SERVICES & PROGRAMS

The Senior Center is open daily, Monday through Friday, from 9 am – 5 pm. Seniors are welcome to drop by and attend any of the programs of special interest. We believe you will enjoy the classes and especially the friendly people you will meet. Most programs are free to seniors; however, a fee is charged when supplies are used for personal use. For more information call 986-6542.

## SENIOR EXERCISE

Monday, Wednesday and Friday mornings are the place to be to catch the Sizzlin Senior low impact aerobics class that has been going strong for 15 years. Being in the field of fitness for over 25 years Sharon Kloeris, a former Jazzercise instructor, choreographs and teaches the morning class three days a week. Each class consists of a full hour of low impact aerobics, which include a warm up, isolation, low impact cardio, upper torso training with or without weights, stretching and floor routines. It's a great way to kick start your day, have fun, socialize and get fit.

It's a proven fact that the better physical and mental shape you are in, your body handles sickness, recovery from operations, life's everyday stress much quicker than non-active.

It's never too late to start an exercise program. Join us and experience the benefits of exercise. Wear comfortable clothing and seniors are advised to consult with their physician prior to participation.

<b>Instructor:</b>	Sharon Kloeris
<b>Days:</b>	Mon/Wed/Fri
<b>Time:</b>	9-10 am
<b>First Class:</b>	Ongoing
<b>Fee:</b>	No charge
<b>Location:</b>	Port Hueneme Community Center

## BRIDGE

Senior bridge players meet every Friday from 11 am-2 pm to enjoy a few hours of good companionship and social fun. Bring a light lunch or snack for break time.

<b>Day:</b>	Friday
<b>Time:</b>	11 am – 2 pm
<b>First Class:</b>	Ongoing
<b>Fee:</b>	No charge
<b>Location:</b>	Port Hueneme Community Center

## NEEDLE ART

This class is designed for seniors who wish to learn the techniques of knitting, crocheting and cross stitching on plastic. Seniors will be learning from each other and sharing their ideas in needlecraft. If you are a beginner, you will enjoy this class that lets you work at your own pace.

<b>Days:</b>	Thursday
<b>Time:</b>	9:30 – 11:30 am
<b>First Class:</b>	Ongoing
<b>Fee:</b>	No charge (Cost of supplies only)
<b>Location:</b>	Port Hueneme Community Center

## VOLUNTEER DRIVERS

Do you have an hour a week between 10 and 11 am? The Senior Nutrition Program needs you. We need caring people willing to deliver nutritious meals to homebound senior citizens. All volunteers are reimbursed for their mileage. For more information please call (805) 986-6676.

## WII BOWLING FOR SENIORS

The City of Port Hueneme is offering virtual bowling for seniors age 50 and over. The Nintendo Wii game system uses a motion sensor controller that allows players to mimic the movement involved in bowling from a standing or sitting position.

"It's fabulous fun," said a senior center member who played the Wii for the first time. "I'm actually moving and standing. I bowled such a long time ago, and this is a great way to keep going"

Wii Bowling is becoming one of the most popular activities at senior centers across the country. The City sends a team to the annual Ventura County Wii Bowling Tournament in Camarillo. The light exercise, without having to roll a heavy ball, is attractive for all older adults who want to continue to be active in a fun, social atmosphere.

The City of Port Hueneme provides this program as part of an ongoing effort to promote senior health and independence.

<b>Days:</b>	Monday
<b>Time:</b>	10-11 am
<b>First Class:</b>	Ongoing
<b>Fee:</b>	No charge
<b>Location:</b>	Port Hueneme Community Center

## SENIOR PROGRAMS

### TOE NAIL CUTTING

A licensed and insured pedicurist will be doing clinical style pedicures twice a month for seniors. The treatment includes a vibrating foot bath, nails cut and filed, and lotion applied to feet and calves. All equipment sterilized between each client.

<b>Pedicurist:</b>	Susan Spangler
<b>Days:</b>	2nd & 4th Wednesday of each month
<b>Time:</b>	9 am – 3:30 pm By appointment only – Call 987-3931
<b>Fee:</b>	\$15
<b>Location:</b>	Community Center Senior Activity Room

### PORT HUENEME SENIOR NUTRITION PROGRAM

All seniors age 60 and older who are homebound, and who meet the criteria listed below are eligible for the Home Delivered Meal program. The weekly delivery of nutritious food usually includes frozen meals that can be heated in a microwave; milk; bread and butter; cheese; yogurt; salad and dressing; fruit or fruit cups. While there is no fee for this service, there is a "suggested" donation of \$3 per meal.

Home-delivered meals are served to eligible older persons who are homebound by reason of illness, disability, or functional need and unable to prepare their own meals.

Individuals eligible to receive a home-delivered meal are:

1. Any older individual who is frail, and homebound by reason of illness, disability or isolation.
2. A spouse of a person who is frail and homebound by reason of illness, disability or isolation, if an assessment concludes that it is in the best interest of the homebound older individual.
3. An individual with a disability who resides at home with older individuals if an assessment concludes that it is in the best interest of the homebound older individual who participates in the program.
4. Priority will be given to older individuals in (1) above.

To take advantage of this wonderful service please call (805) 986-6542 for more information or to request an application.

### LEGAL AID

Attorneys from Grey Law will provide free legal assistance to seniors on the second Thursday of each month at the Port Hueneme Senior Center. Appointments must be made in advance. Please call 1(800) 794-9464 for an appointment.

### FREE VISUAL AID COUNSELING

The Braille Institute is a private, nonprofit organization that provides educational training, programs, and services free of charge to people of all ages who are blind or visually impaired.

A consultant from the Braille Institute will hold visual aid screenings, by appointment, at the Orvene Carpenter Community Center. This is a free service. To make an appointment, call (805) 983-3324 or go to [www.brailleinstitute.org](http://www.brailleinstitute.org).

### ALZHEIMER'S ASSOCIATION: HELP IS ONLY A PHONE CALL AWAY

The Alzheimer's Association offers **free** patient and family consultations, support groups, education workshops and referral information throughout Ventura County. Family members and caregivers have the opportunity to share information, develop caregiver skills and provide mutual support in small group settings.

Our trained facilitators offer groups catered specifically to adult children caregivers, spouse caregivers, and persons with dementia, as well as general support groups.

We have dedicated funds to provide limited respite for qualified caregivers. For more information and to apply for respite, contact Janine Jackson, education and care specialist, in our Ventura county office at (805) 494.5200, Ext. 104 or email her at [jjackson@alz.org](mailto:jjackson@alz.org). Janine is available the 3rd Thursday of the month at Port Hueneme Community Center by appointment.

If you are a caregiver, have been diagnosed yourself, or think you might have early dementia, please call us toll-free at (800) 272-3900 (24-hours/7 days/week), to talk to someone or to get information specific to your needs.

Visit us at [www.alz.org](http://www.alz.org) for free online workshops or more information.

### MAR VISTA SENIOR APARTMENTS

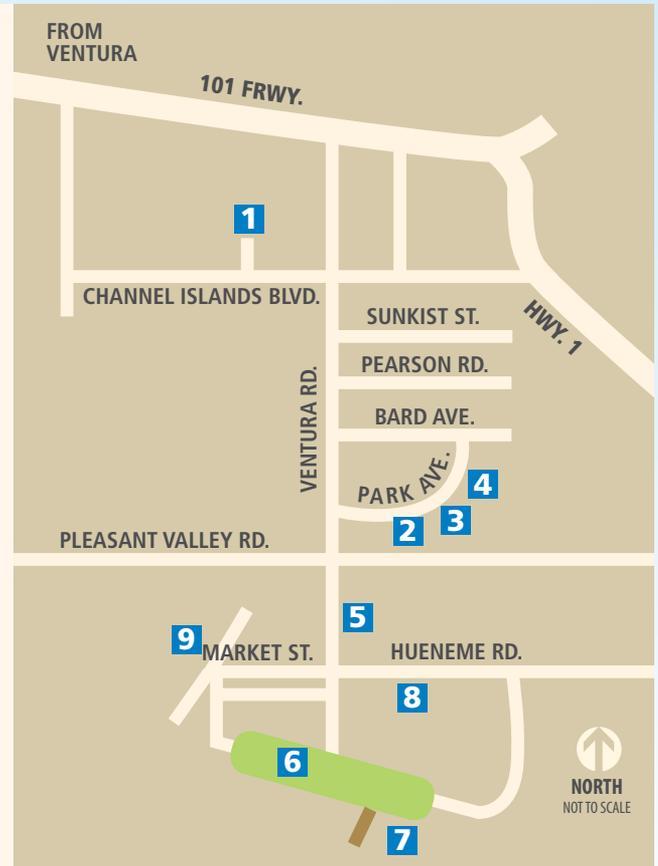

The Housing Authority of the City of Port Hueneme is accepting applications for their senior development in Port Hueneme. Applicants must be elderly (62+) or disabled.

Units consist of one bedroom and studio apartments that include stove and refrigerator. All utilities are included with the exception of cable and telephone. Applications can be picked up at the Port Hueneme Housing Authority at 250 N. Ventura Road, or go to the City's website at [www.cityofporthueneme.org](http://www.cityofporthueneme.org).
