Phone Scam Warning

Recently the Port Hueneme Police Department has received telephone calls from concerned citizens regarding persons posing as members of the Police Department or Police Officer's Association requesting donations from the public. The Port Hueneme Police Department, our Peace Officers Association or any of our related programs will never call requesting donations.

Here are some basic safety tips to follow if you receive a phone call:

- 1-Do not trust your caller ID, the incoming number can be masked, or "Spoofed"
- 2-Do not press one or wait for a live person, the scammers do not listen to the "Do not call list"
- 3-Do not give out your personal information
- 4-Do not call the scammers back on a number they provide
- 5-If you decide to donate to a charity, do your own research and contact them yourself

Just remember if you receive a phone call you feel is suspicious, please hang up and do not give out any of your personal information.

The Port Hueneme Police Department does accept donations for the following programs: The Police Officer's Association, the Reserve Police Officer's Association, the Police K9 Program and the Police Explorer Program. If you would like to make a charitable donation please contact the Police Officer's Association.
